

Hilary Till

Premia Capital Management, LLC;

Research Associate,
EDHEC-Risk Institute

Hilary Till is a co-founder of Chicago-based **Premia Capital Management, LLC**. Premia Capital is a *proprietary* trading and research firm, which specializes in the commodity futures markets.

Ms. Till is the co-editor of the Risk Books bestseller, *Intelligent Commodity Investing*.

In addition, she is a Research Associate at the EDHEC-Risk Institute in Nice, France. She has presented her research on the oil futures markets to the International Energy Agency at the agency's Paris headquarters.

In Chicago, Ms. Till is a Fellow at DePaul University's Arditti Center for Risk Management. She is also a member of the Federal Reserve Bank of Chicago's Working Group on Financial Markets.

Before co-founding Premia Capital, Ms. Till was the Chief of Derivatives Strategies at Putnam Investments and prior to this position was a quantitative analyst at Harvard Management Company in Boston.

She has a B.A. with General Honors in Statistics from the University of Chicago and an M.Sc. degree in Statistics from the London School of Economics (LSE). She studied at the LSE under a private fellowship administered by the Fulbright Commission. Ms. Till now serves on the North American advisory board for the London School of Economics.

LUNCH
THURSDAY JULY 21ST – SASKATOON CLUB

Commodities

Trade-offs between Commodity Futures and Other Proxies for Commodity Investment

Ms. Till will discuss alternatives for investing in commodities. She will cover innovations in commodity futures trading and investment; past history as a guide to possible future public policy on commodities; and currencies as proxies for commodity trading and investing.
